Summer Working Connections July 16-20, 2018

Note that we'll be holding two special events in H209 during your morning break. On Tuesday morning, July 17, we will collect requests for **CEU certificates**. On Friday morning, July 20, we will collect **travel reimbursement paperwork** and answer questions.

In the H209 break room, coffee, ice water, and hot water will be available, but please provide your own snacks for breaks. Snack and soft drink vending machines are available in Heritage Hall's downstairs east vestibule.

Things to Remember

1. Be sure you initial the attendance sheet at each session – morning and afternoon – every day. Your attendance at every session is required in order to be eligible for travel reimbursement.
2. You'll be asked to complete two surveys on Friday:
 - ★ Overall
 - ★ Track-specific

The surveys will be available at: <http://summerworkingconnections.mobilectc.wikispaces.net/Surveys>

Failure to do the two surveys may make you ineligible to attend Working Connections for 12 months. That is, you won't be able to attend Winter 2018 and Summer 2019 Working Connections.

3. Use the H209 break room whiteboard as a message board to communicate with your fellow attendees. This may prove especially useful in arranging carpools.
4. If you received a photo release form in your welcome folder, please fill that out and give it to your instructor.

Need Help?

Please see the CTC staff or contact them at:

- ★ Mark Dempsey, 972.377.1582, mdempsey@collin.edu
- ★ Christina Titus, 972.377.1786
- ★ Amy Garrison, 972.377.1734
